

## **Barley Lane School**

*Friendship, Optimism, Hardwork*

### **A briefing agenda for COVID times**

1. The safety and wellbeing and happiness of the children first always
  - a. The group's collective safeguarding knowledge is solid and so share freely from the tangible to the intuitive and across the diverse risks from neglect to peer on peer.
  - b. What are we tangibly doing about it? Challenge each other...
2. The challenges today will bring: the risks we must make safe to protect and protect health and safety, good order and discipline and the positive climate for learning?
  - a. What are we tangibly doing to achieve this?
  - b. Have we made the very best use of the capacity available to us? Are the right people in the right places?
  - c. Do we need to problem solve together in a more developed way to meet specific challenges?
3. What about us? How are we doing? How will today's challenges impact our wellbeing?
  - a. What worries us? Where are our biggest challenges in the day ahead?
  - b. Are we well supported? What help do we need?
  - c. Are there opportunities for respite?
4. The COVID dimension...
  - a. Are our controls robust and working?
  - b. What are the emerging risks and what are we going to do about it?
  - c. How are we feeling?
5. What's on your mind?
6. Thanks and affirmation let's celebrate good people and good work.
