Dear Parents and Carers,

Just touching base and sharing links below to helpful information from government and the Department for Education.

On-call and available to you if you need me over the half-term holiday...

Updated guidance for parents for supporting children's remote education

We have updated the guidance for [parents to support their children's remote education](#) to provide more information for parents and carers as they support their children at home. We have added top tips for supporting children during remote education, including links to information about the Reading Well booklist that supports mental health. We have also provided information on how to access online resources and services through your local library and online [support for parents and carers to keep children and young people safe from online harm](#).

Don't hesitate to call, text or email me if you need to.

Michael
