

# BLS BULLETIN

NOVEMBER 2022

## Free Holiday Activities

All the details about the government-funded activities for the Christmas holiday can be found [here](#).

All children are eligible to register although priority places will be given to children aged 5 to 16 years who are eligible for and receiving benefit-related free school meals.

There is a wide range of activities to choose from including cooking and craft, sports and coaching, outdoor and forest play, music and dance.

All clubs will be operating for a minimum of four hours and will include a hot meal. The activities are fully inclusive and accessible but parents and carers are encouraged to discuss their child's needs with their chosen provider.

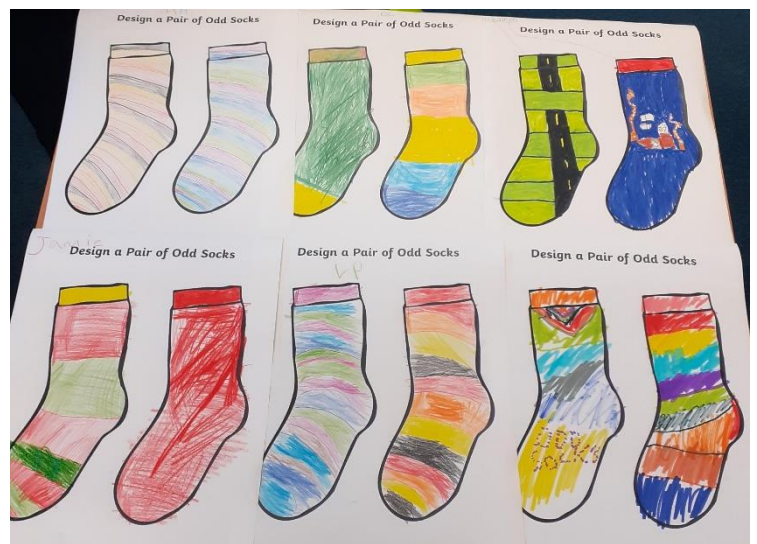

## Remembrance Day

The whole school joined in with a two-minute silence on 11<sup>th</sup> November. The CH class created poppy artwork.

## Anti-Bullying Week

This year's theme was 'Reach Out'.

As part of their learning, the CH class designed their own odd socks as an opportunity to celebrate what makes us unique.

## School Council

The primary and secondary School Council representatives have met with staff this month. They highlighted what is going well at BLS and where improvements can be made. The boys were fantastic; they demonstrated maturity, creativity and problem solving skills. We will keep the school community updated with progress.

### Luna

Our school dog Luna loves being with the students in lessons. She joins in with staff meetings at the beginning and end of the day too. Luna really enjoys regular cuddles and belly rubs.

## Online Safety

- Webwise have some great resources for parents and carers [here](#).
- Mr Moore has put useful information on the [school website](#).
- [Enable](#) offer free training and resources for foster carers.
- [Band Runner](#) is a fun game aimed at 8-10 year olds. It comes highly rated by the CH class! 😊

## Dates

Friday 16<sup>th</sup> December: Last day of autumn term.

Wednesday 4<sup>th</sup> January: First day back for students

Best wishes,
